

Perennial Value Smaller Companies Trust

About the Trust

The portfolio invests in a range of smaller listed companies predominantly outside the ASX Top 100 Index which Perennial Value believes have sustainable operations and whose share price offers good value.

The cornerstone of this approach is a strong emphasis on company research. The aim is to develop a detailed understanding of each company before committing investors' funds. Typically, the portfolio holds, on average, approximately 60 stocks.

Fund Characteristics

Fund objective	Grow the value of your investment over the long term via a combination of capital growth and by investing in a diversified portfolio of Australian small cap shares predominantly outside the S&P/ASX Top 100 Index, and to provide a total return (after fees*) that exceeds the S&P/ASX Small Ordinaries Accumulation Index measured on a rolling three-year basis.
Benchmark	S&P/ASX Small Ordinaries Accumulation Index
Inception Date	March 2002
Fund size	AUD \$145 million
Number of stocks	30 – 70 stocks
Minimum initial investment	\$25,000
Fees (PA)	1.20% + performance fee (15% over the benchmark)
Liquidity	Daily
Risk/Return profile	High
Distribution	Half yearly
APIR Code	IOF0214AU

*Excluding performance based fees.

About Perennial Value Management

Perennial Value is an Australian owned, specialist, active investment management firm. Our sole focus is to deliver excellence in funds management through equity ownership and the alignment of interests between investment management staff and our clients.

Equity participation is a key element of Perennial's business model. The investment staff's equity stake in the business means the team are single minded in ensuring delivery of performance ahead of benchmark. At the heart of Perennial's equity ownership structure is the philosophy of aligning our investment professionals' interests with that of our clients.

Asset Class and Allocation

Australian Equities 90 – 100%

Cash 0 – 10%
